Career history:

2001 up to date – Independent consultant. Mark Bowden Design

Design, development and management of projects for private clients and other design consultancies. Work over this period has ranged from the production of design detail packages through to providing a full design and implementation service including on site project management. Projects have ranged from office interiors to large-scale retail offers. Design consultancy clients include Studio 48, Rodney Fitch, CDW & Partners, Portland Design. End user clients include O2 Retail, Grille Restaurants, Planet Organic, Brinker International and more.....

Cont -

1998 to 2001 - Project Director with Rodney Fitch Design Consultants, London

Design direction and management of design teams for both creative development and implementation of projects. Work during this period includes Hamleys Toy Store Regent Street and the creation of new brand identity and flagship store for Singapore Telecom. Other clients include Dixons Store Group and Santa Fe Restaurants. Last project during this period was a major new food court development for Park n Shop supermarkets in Hong Kong.

1998 - Senior Designer with CDW & Partners, Hove, Sussex.

Senior role, reporting to the Managing Director, with responsibilities including the implementation programme for Superdrug stores. Creative direction on projects for Birthdays Card Shop, W.H.Smith and Marks and Spencer plc.

1996 to 1998 - Associate with Rodney Fitch Design Consultants, London.

Areas of responsibilities included the creative direction and management of teams on projects for many UK blue-chip clients including The Royal Albert Hall, Littlewoods, Dollond & Aitchison, Asda. Latterly, the major responsibility was for management and key liaison of all projects between UK and Hong Kong company offices. This included retail projects for The Swire Group, and Hutchinson Whampoa.

1987 to 1996 - Senior Designer with Brian Lowe Design Company, London.

Responsibilities included marketing and client liaison, design direction and control of projects. Design and project management of flagship retail unit for The Body Shop on Brompton Road, London, encompassing extensive construction and M & E works. Involved with The Body Shop rollout programme, both UK and overseas, for duration of employment. Design and development of retail concepts for Tesco Stores. Specifically, these were for the Health and Beauty Department, Fashion and News and Magazines sectors. Co-ordinated all aspects of design including fixturing and graphics. Supervised production and manufacture of prototype installations.

Other clients: Asda, Petworld, other miscellaneous commissions.

1985 to 1987 - Designer with Fitch and Co.

Team leader responsible for design and installation of furniture and fixturing to Debenhams Oxford St. during major refit. Concept design and development through to installation of Cosmetics Dept.

Other clients: Asda, Boots, Children's World, BT shops.
