

## HEALTH AND SAFETY STATEMENT

### Our statement of general policy is:

- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment where required;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training where required;
- to prevent accidents and cases of work-related ill health;
- to maintain safe and healthy working conditions; and
- to review and revise this policy as necessary at regular intervals.

### Complementary to the above statement we will ensure that:

- Our responsibilities in relation to the 'Health and Safety at Work Act 1972' are met.
- Where relevant, we will fulfil our responsibilities as Designers under the 'Construction and Design Management Regulations 2007'
- Employees and associates of the organization are adequately briefed and equipped when visiting construction sites. PPE will be supplied as required to comply with the 'Personal Protective Equipment at Work Regulations 1992'.
